

OKLAHOMA WESLEYAN UNIVERSITY STUDENT HEALTH SERVICES

Greetings from “Nurse Deb”, your campus nurse. The university provides a Registered Nurse who assists with the routine medical needs of the campus community. Hours may be posted on the door of the Student Health Services Office, which is in the mansion.

A limited amount of first aid supplies are available in the Student Health Office. Any student who is on prescription drugs, medications, or under a physician’s immediate care should register with the nurse. Local physicians act as consultants and referral sources for those who need special attention.

There are a few items I will need from you to keep on file in the Student Health Office. Before you register for classes you should have the following medical records. **If you send these records into my office early, this will expedite your time in the Student Health Department line when you come to register.**

MEDICAL FORMS

The student fills this form out **completely**, signs and dates it. If any student wishes to use the OKWU student health services, a medical form must be completed before enrollment. All traditional students whether living on campus or off campus must have a medical form completely filled out and signed by the student.

COLLEGE ENTRANCE PHYSICAL EXAMS

This exam is done the summer before the student begins school and is filled out and signed by the physician who performed the exam. All traditional students whether living on or off campus must have a college entrance physical exam. This exam qualifies for an athlete’s athletic physical for their intended sport for this first year.

IMMUNIZATION RECORD

Hundreds of people living together in close-quartered conditions can be breeding grounds for illness and diseases. These conditions can be found in many colleges and universities, and so most states require a number of immunizations for all students to be allowed to live and study on campus. Oklahoma Wesleyan University requires all college students to provide proof of meningitis, hepatitis B and measles, mumps, rubella immunizations. You can get a shot record at the student’s physician’s office. Sometimes they are with High School transcripts. The nurse must have a record of the student’s immunizations.

If there is any reason that the student has not had these immunizations and does not want to receive them, there must be a signed waiver form on file in the Student Health Office.

(continued)

CONSENT FOR TREATMENT FORM

This is a form that must be notarized. It is advisable to have one if the student is under 18 and plans to be traveling with the school for any reason. In some states the age of adulthood is 21 and the student must have a consent signed by a parent or guardian for treatment to be administered. Debra Cook, M.S.N., R.N., Student Health Office Director, is a Notary Public and can notarize these forms.

Well, that is about it! I look forward to meeting you. Have a great year and God bless!

“Nurse Deb”

Debra J. Cook, M.S.N., R.N.
Director of Student Health Department
918-335-6264 (office)
918-914-9808 (mobile)

Student Health Department Consent Form for Emergency Treatment

INSTRUCTIONS: Complete this form only if student is a legal minor (less than 18 years of age) or less than 21 years of age and will be traveling to other states with the university for any reason as of the first day of orientation week. NOTE: **Form must be notarized.**

The undersigned, having legal guardianship of _____ does hereby authorize and direct a doctor in a clinic or emergency room (or physician assistant working with him/her) to provide diagnosis and treatment as their judgment indicates to said minor while said minor is enrolled as a student at Oklahoma Wesleyan University in Bartlesville, OK.

It is OWU's policy that each student must have health insurance coverage. OWU carries a minimal accident insurance policy on all full-time students. This policy is a supplemental coverage, which pays only after other collectable group or individual insurance has paid. Oklahoma Wesleyan University is not responsible for payment of any medical bills.
